2010-11 ACT Meteors Squad Announced

The ACT Cricket Association has announced an ACT Meteors squad of 17 for the 2010-11 Women's National Cricket League (WNCL) and Women's Twenty/20 competitions.

New additions to the squad include former NSW under 19 representative Rhiannon Dick, former NSW Breakers squad member Clare Crewdson and England Women's representative Lynsey Askew. The omissions from last season's squad include all rounder Em Preston and fast bowler Leanne Davis who have both chosen to have a 12 month break from cricket.

Dick, 20 has represented NSW in junior representative squads and was offered a place in the NSW Breakers squad for 2010-11, but chose to pursue a season with the Meteors. The handy left hand batter in 2009-10 had the highest batting average in Sydney Women's First Grade scoring 167 runs at 55.67 and was the fourth leading wicket taker. She was also named Player of the Championships at last year's National Cricket Australia Women's Cup.

Crewdson was a NSW Breakers Development squad member in 2009-10 and is currently playing women's county cricket in England for Kent alongside English women's captain Charlotte Edwards. The right arm fast bowler will boost the Meteors bowling stocks with the loss of Preston and Davis.

Former England representative Askew played club cricket for St George-Sutherland last season in Sydney with Meteors opening bowler Aimee Harris. Askew was the second leading wicket taker in Sydney Women's grade cricket capturing 24 wickets at 13.04 last season. Askew made her international debut for England in 2006 in a twenty20 match against India in Derby.

The squad will commence training on Saturday 25th July and will be looking to improve on last year's inaugural season which saw the team finish third in both competitions
