

ACT COVID SAFE COMPLIANCE CHECKLIST

APPOINT A COVID-19 SAFETY CO-ORDINATOR

- Read COVID-19 Safety Co-Ordinator Role Description and Responsibilities - [Click Here](#)
- Act as the central point of contact for your club regarding COVID-19 updates
- Complete the 'Infection Control Module' training (or refresh knowledge if completed last year) - [Click Here](#)

COMPLETE A NEW COVID-19 SAFETY PLAN FOR THE 2021/22 SEASON

- Complete [Cricket ACT COVID Document +](#)
- More information at ACT Government Return to Play Framework - [Click Here](#)

REGISTER & UTILISE THE ACT CBR CHECK-IN APP

ACT Government has provided QR codes for outdoor community sporting venues. Clubs are to advise participants to use the CBR App to 'check-in' before each training session or match. Where a QR Code is not available the team manager or captain is to keep a manual record of participants' details for their respective teams.

COVID SAFETY CO-ORDINATOR TO DO LIST

- Implement the COVID-19 Safety Plan
- Display QR Codes at indoor venue/s
- Print the following posters and display on entry, exit points and throughout venue/facility:
 - [Good hygiene is in your hands](#)
 - [Simple Steps to help stop the spread](#)
 - [Keeping your distance](#)
 - [Keep that cough under cover](#)
- Cleaning and disinfectant items can be purchased through the Cricket Australia partnership with Dettol at www.dettol.com.au/communitycricket (registration required)
- Communicate any directives to your club and team officials in a timely manner.
- Ensure that participants and match officials are aware of their responsibilities.
